- Conversion to permanent financing and the funding of all other debt and equity sources
- Successful transition of projects from construction to operation by coordinating with Asset Management and general contractor

**Management & Leadership**

The Deputy Director will gauge their level of involvement in each project based on the project manager's experience and ability--it could be monitoring, coaching, training, or taking the lead, especially at key project milestones such as financial closings, conversions, etc.

The Deputy Director is expected to provide good leadership to the project management team:

- Inspire, motivate, and guide team members toward their individual and collective goals.
- Identify growth opportunities for each project manager and coordinate training.

The Deputy Director will represent the Development Department:

- Report development pipeline milestones and critical paths as well as the financial strategy of each project to the Executive Team and the Board of Directors.
- Participate in several high-level meetings such as the Executive Team, Board of Directors, and Board Committees.
- Represent FCH before public agencies, elected officials, community groups and financial institutions.
- Develop and maintain relationships with staff of public funding sources.

The Deputy Director will work closely with the Director as follows (but not limited to):

- Manage development pipeline
- Lead efforts on prospective projects by identifying acquisition opportunities, conducting an analysis, and managing RFP process when required.
- Staff various management meetings
- Supervise project managers' performance
- Conduct annual reviews of project management team
- Development and implementation of strategic plan
- Participate in Owner Project Requirement reviews and Design Committee

**Required Skills, Knowledge and Abilities**

- Demonstrated experience with public and private affordable housing funding resources and subsidy programs, including the low-income housing tax credit program, tax exempt bonds and syndication process; ability to creatively combine financing tools to leverage housing funds.
- Committed to meeting the housing needs of lower-income families and individuals, especially those experiencing homelessness and special needs populations.
- Strong real estate development experience including local government procedures to secure entitlements and all necessary permits.
- Ability to manage a large pipeline of projects at different phases.
- Must have supervisory experience and be able to implement best practices.
- Have knowledge of project management methodologies.
- Proven ability as a team player as well as a leader.
- Well-organized, detail-oriented and excellent analytical skills.
- Ability to organize and schedule tasks in support of multiple deadlines and projects.
- Ability to communicate effectively, both orally and in writing.
- Proficient in sophisticated financial analysis.
- Proficient in Microsoft Suite, especially Excel, Word and PowerPoint.
- Experience with databases and project management tools.

- Excellent public presentation skills.
- Excellent oral and written communication skills.
- Ability to work effectively with various community groups (including tenants and surrounding neighbors of proposed and existing developments) to listen and respond to concerns in a culturally sensitive manner.
- Ability to maintain flexibility to navigate the ebbs and flows of projects, negotiations and personalities.
- Must have a strong commitment to diversity, equity and inclusion as it is central to FCH's mission in the way we treat and reflect the communities we serve as well as the intention we put into how to treat each other and every consultant we work with.

**Qualifications / Experience**

The Deputy Director must have a significantly varied and rich development experience as the main responsibility of this job leading a project management team and having the ability to view development from a global perspective - as such the following qualifications are required:

- A minimum of ten (10) years of progressive affordable housing development experience.
- Must have at least three (3) years of supervisory experience.
- Education: Bachelor's in construction, architecture, construction, environmental, urban planning or another related field. A master's degree in business administration, public administration, urban planning, or another related field is *preferred*.
